# DesignRail® Custom LED Rail Lighting

Feeney 24V Wet Location Strip Light is a versatile, linear light that provides high output lighting for indoor and outdoor applications. High lumen output makes it ideal for railing lighting, as well as an efficient ambient light when installed with a compatible dimmer switch. This strip features a flexible, weather-proof housing that resists the elements and dust.

- Fully dimmable using 24V magnetic dimmable driver kits and compatible dimmer switch
- Installation is a breeze by surface mounting with integrated VHB tape
- Maintains UL Listing even after it is cut in the field
- Excellent warranty: Light Strips (7 years) and Power Supplies (5 years)

## LIGHTING CAPABILITY

INFILL TYPE	TOP RAIL	BOTTOM RAIL
Horizontal CableRail	●	●
Tempered Glass Panel		●
Vertical Picket Panel		●

## DesignRail® Custom LED Post Accent Lighting

The decorative aluminum sconce has a durable powder-coated finish and attaches to the post face to create a beautiful down light; great for stair railing accents. The sconce can be finished to match the railing frame color, and can be used with all infill options.

- Powder-coated sconce to match railing frame
- Fully dimmable using 24V magnetic dimmable driver kits and compatible dimmer switch
- Installation is a breeze!
- UL Listed
- Excellent warranty: Aluminum Sconce (10 years) and Power Supplies (5 years)
- Compatible with all post types regardless of infill
