

DesignRail® Classic Kits Order Checklist

DesignRail® railings are easily adaptable to any exterior or interior residential project. Follow this How To Order Guide. When complete, email form to sales@feeneyinc.com and copy your Feeney representative. Residential applications only.

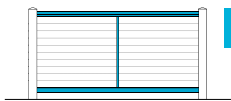

STEP 1 Choose Rail Kits based on Rail Height and Application

Each kit includes a 6-ft top and bottom rail, a pre-drilled intermediate picket, and all necessary attachment hardware to install between posts that are chosen in Step 2. Classic Rail Kits can be used with Classic Post Kits or between your own wood posts.
